**Overview for Headliner, Jason Robinson** [www.JasonOnStage.com](http://www.JasonOnStage.com):

- \*Jason has a **commanding** stage presence and gives a **high-energy, quick-witted** performance. His material is **original, thought provoking and unpredictable.**
  - \*He has developed a **unique style of humor** associated with life on many levels to which a wide range of age groups can relate.
  - \*Jason's natural talent has been **likened to a Southern-type** Jerry Seinfeld (not a copy, of course).
  - \*He's played clubs and theaters from the **East to West Coast.**
  - \*He has performed Corp functions, including "Comedy Central" Corp shows and recently completed a two month long tour, **opening** for the [LONESTAR](#) Band.
- Jason works clean, as for the [LONESTAR](#) tour and for Corp. work and when required.
